

## Interview Questions for *Lonely Specks*

- Are there any writers who inspired your book, either in terms of subject matter, or writing styles?
- Has your work as a psychotherapist informed your characterization, or plot line?
- Do you have another project in the works? If so, what?
- Did any of your inspiration for this book originate in your real life experiences?
- Are there any lessons that you have learned that you'd pass on to other up and coming writers?
- How much does your background make it into your stories?
